Property Ref: 01-0091

A new luxurious development will be built in the area of Kouklia in Secret Valley.

It is a quiet and residential area yet within a short drive to local amenities such as restaurants, bars, supermarkets and schools as well as sandy beaches.

This development will comprise of 12 three-bedroom and 1 four-bedroom villas.

The three bedroom villas will comprise of an open plan living/dining area, a separate fully fitted kitchen, a guest cloakroom and three bedrooms from which some of them will have en-suite facilities.

There will also be a sitting room on the first floor as well as a gym, a store room and a local facilities on the roof terrace.

The ground floor of the four-bedroom villa will comprise of a massive living room, a dining room, a fully fitted kitchen, a store room and a guest cloakroom.

On the upper floor, will be the four bedrooms all with en-suite facilities as well as a roof terrace.

In addition, this development offers a large swimming pool with amazing views of the landscaped gardens.

The construction will commence upon signing off the contract.

The villas are priced from 1,138,800 and are subject to VAT.
